## FREE! Get There Connect Features

### Employee Commute Planning

Equip employees to explore commute options by accessing transit and biking routes, matching up into carpools and vanpools, finding park and rides, and more.

### Ridematching Support

Help employees connect with others to join and start carpools and vanpools. Commute with Enterprise offers vanpool setup and vehicle rental services.

### Employee Surveys

Conduct commuter surveys among your employee users, including as required by Oregon's ECO Rule in the Portland metro area.

### Custom Employer Networks

Free employer networks can be set up with custom URLs and QR codes for employee use to track organizational metrics, offer internal rewards and incentives, and hold challenges.

### Challenges & Rewards

Take advantage of statewide challenges and local rewards programs (as available) as added motivators and incentives for your employees to use commute options.

### Track Metrics & Run Reports

Gain workforce insights and track organizational metrics like employee commute options use, vehicle miles and CO<sub>2</sub> reduced, money saved, and calories burned.

## Support Services

### Roll Out & Network Set Up
