# Commute Solutions Toolkit

## Improve commutes & work experience for a *thriving* workforce

Employee commutes and work experience play big roles in job satisfaction, retention and recruitment, productivity, and more! Connect your employees to more affordable, active, and sustainable commute options using **Oregon's online Commute Solutions Toolkit**. Plus, leverage **free resources, tools, and support services** from Get There Oregon and partners to improve employee commutes and help your workforce thrive and grow.

## Toolkit Features

### Easy to Access

Oregon's Commute Solutions Toolkit is **accessible online** with **free ready-to-use and customizable content** at [GetThereOregon.org/CST](https://getthereoregon.org/CST).

### Promote Commute Options & Tools

Access **employee materials** and **digital content** covering **all types of commute options**—carpooling, vanpooling, transit, biking, remote work, and compressed work. Plus, get details and materials about **local services** and **Get There Connect**, Oregon's commute planning and rewards tool.

### Co-Brand & Customize Content

Posters, flyers, display slides, and digital content can be **co-branded and customized** without graphic design software. Materials are print-ready and digital content can be used in employee communications and Intranet sites.
