

## Better commute solutions for a thriving workforce

### Get free employer tools & services!

Employee commutes and work experience play big roles in job satisfaction, retention, recruitment, productivity, and more. Improve employee commutes to help your workforce thrive and grow. Get There Oregon and partners offer free resources and services that can equip your employees to use more affordable, healthy, and sustainable commute options like carpooling, vanpooling, transit, biking, walking, compressed work, and remote work.

#### Consultation & Planning

Get free help creating employee commute support and benefits programs from Get There Oregon and our partners.

#### Get There Connect

Equip employees to explore commute options, share the ride, track metrics, and more using Oregon's free [Get There Connect](#) tool.

#### Employee Surveys

Access resources for conducting surveys to evaluate employee commute habits, needs, and interests. Plus, get support turning survey insights into an action plan.

#### Promotions Support

Ready-to-use employee materials are available to promote commute options and tools in our Commute Solutions Toolkit. Plus, Get There Oregon partners can provide commute planning onsite and at resource fairs.

## Gain Insights & Access Resources

### Insights, Tips & Strategies

Stay up to date on the latest news, workforce trends, and expert advice to improve your employees' commutes and work experience. Follow us on [LinkedIn](#) and sign up for our monthly employer newsletter, [The Shift](#) and commuter newsletter, [The Connection](#).

### One-On-One Support

Get There Oregon's partners can provide one-on-one support to create and grow employee commute programs. Contact us at [Employers@GetThereOregon.org](mailto:Employers@GetThereOregon.org), and we will connect you with a local partner in your area.

### Trainings & Webinars

Get There Oregon provides regular trainings and webinars covering how commute solutions serve business needs, how to access free tools and services, and more. Find out about upcoming trainings and watch past training recordings [here](#).

### Toolkits

Get employee commute program strategies and tips using our [employer toolkits](#) that guide staff through setting up, running, and growing programs. Local resource listings are also provided.

## Access Get There Connect Features—FREE!

### Employee Commute Planning

Equip employees to explore commute options by accessing transit and biking routes, matching up into carpools and vanpools, and more.

### Challenges & Rewards

Take advantage of statewide challenges and local rewards programs as added motivators and incentives for your employees.

### Employee Surveys

Conduct commuter surveys among your employee users, including as required by Oregon's ECO Program in the Portland metro area.

### Custom Employer Networks

Employer networks can be set up with custom URLs and QR codes for employee use to do internal rewards, conduct surveys, host challenges, and track metrics.

### Track Metrics & Run Reports

Gain workforce insights and report on organizational metrics like employee commute options use, vehicle miles and CO<sub>2</sub> reduced, money saved, and calories burned.
